A contemporary project designed by the architect Villarroel - Torrico, a quality reference in the Costa del Sol. This project has 74 different apartments from 1 to 5 bedrooms: ground floor with gardens, upper floors and large penthouses with terrace (with the possibility of including a Jacuzzi), all of them with a store room and a garage. One of the main attractions of this development is that all houses have privileged south orientation, facing the Mediterranean Sea to feel the breeze every morning. Its common areas include an infinity pool, gym, multipurpose room, a lookout point and garden areas, making it a unique and natural environment integrated with the area. Energy efficiency is...
